

The Journey

October 2017 At the Beach

This thought brings us to Step Ten, which suggests we continue to take personal inventory and continue to set right any new mistakes as we go along. We vigorously commenced this way of living as we cleaned up the past.

Step Ten- "Continued to take personal inventory and when we were wrong promptly admitted it."

"We have entered the world of the Spirit. Our next function is to grow in understanding and effectiveness. This is not an overnight matter. It should continue for our lifetime."

Alcoholics Anonymous, P 84

It happened In October

October 21, 1939 - Cleveland Plain Dealer begins series on AA by Eldrick B. Davis

These articles appeared in The Plain Dealer just five months after the first Alcoholics Anonymous group was formed in Akron. The articles resulted in hundreds of calls for help from suffering alcoholics who reached out for the hope that the fledgling Alcoholics Anonymous offered. The group was formed in a house on Ardmore Avenue in Akron, where Dr. Robert Smith lived from 1915 to 1950. While in Akron, Smith met Bill Wilson, a New York businessman, who, like Smith, struggled with alcoholism. They worked with others and wrote the book, "Alcoholics Anonymous," in 1939.
